NAMED ENDOWMENTS

The Mesquite ISD Education Foundation is proud to highlight the Named Endowments listed below:

P.M. and Sue Belt Endowment
Dr. Richard R. Russell and Family Endowment
Cary and Patty Tanamachi Endowment
Frances L. Terry Endowment
Dr. James P. Terry Endowment

The purpose of these Named Endowments is two-fold. The first purpose is to gratefully honor those persons who have been a positive influence and inspiration in the lives of donors and in the life of our community and school district. The second purpose is to further ensure the perpetuity of the Foundation by adding to the corpus of the Foundation Endowment Fund.

Any donor wishing to establish a Named Endowment may do so by indicating their desire on the Foundation Donation Envelope or on the memo line of their check. Named endowments may be established with donations or pledges of \$10,000 or more.
